PRESS RELEASE

Developing and implementing a common Emergency Situation Management System by Ivănești commune from Vaslui county and Bulboaca village from Anenii Noi district

EMS-ENI CODE: 2SOFT/4.2/92

The general objective of the project is to increase the efficiency of emergency management in Ivănești and Bulboaca through joint actions to raise awareness of the school population, training staff of interest, as well as the purchase of first aid equipment to provide service responsible for reducing human and material damage caused by natural or man-made disasters.

Specific objectives:

1. Organize a joint meeting with the town halls of Ivănești and Bulboaca communes in order to plan the method of intervention in emergency situations and to elaborate a plan to inform and raise the awareness of the school population about the correct behavior in emergency situations, in order to increase the level theoretical knowledge.
2. Participation of personnel responsible for emergency management in a training course in the field of emergency situations and obtaining a diploma recognized by the state authorities of both countries, in accordance with the legislation in force in order to improve specialized personnel. The training course is addressed to a total of 26 people, 23 people from Ivănești Commune and 3 people from Bulboaca village.
3. Acquisition of first aid equipment for the endowment of local authorities in Ivănești commune and Bulboaca village in order to reduce the intervention time in emergency situations and human and material damage caused by natural or man-made disasters.

The total value of the project is 294,515.49 euros, the European Union contribution being 261,515.49 euros (88.80%) and the beneficiaries being 33,000 euros (11.20%)

The total value of the project is 1,449,457.984 lei, the contribution of the European Union being 1,287,048,484 lei (88.80%) and the beneficiaries being 162,409.50 lei (11.20%)
